Petersham P&C Building Fund 2017

Make your donation **before** June30

Dear Parents,

Please consider donating to the Petersham P&C tax deductible building fund this year.

Your donations are used to provide extra facilities for the school and you get some relief at tax time. Previously this has included classroom pin boards, air conditioners and the COLA (shelter) lights.

This year the building fund will be subsidising the replacement of the kids' toilet doors (the current full width doors leave little room to move around!)

The Building Fund* has approved deductible gift recipient status. This means **any donation over \$2 you make is tax deductible. Your donation of any size matters. We encourage all families, grandparents and friends of the school to help us reach our goal.**

How do I donate? As required by tax law, there is a separate P&C account for tax deductible donations. A receipt will be emailed to you.
